EAST CONEMAUGH, PA.

JUNE 27th, 1894.

Since my last contribution to the columns of the EVANGELIST we had quite a surprise upon the part of the pastor of the Brethren church of East Conemaugh, Pa., and his family. On Thursday evening of June the 21st, just as the sun was about setting behind the western hills and the evening shades were falling around us, while Bro. Levi Amich and myself were seated on the front porch enjoying the evening breezes and two sisters in the house entertaining my wife, we heard a considerable noise at the back door and I started to go back but was stopped before getting very far because of the immense crowd of visitors. Ninety brethren, sisters and friends gave us a call, each bringing something for the pastor and family; filling the larder to overflowing with the following, 250 lbs. flour, 132½ lbs. sugar, 29 lbs. coffee, a center table spread, dry goods, groceries of all kinds. A circle was formed in the yard and one verse of "All Hail the Power of Jesus Name" was sung after which Bro. Richard Berkebile with a nice little speech, presented me with a purse, gotten up by our young brethren, consisting of a nice money purse and \$17.70, then I as best I

MARRY THIS GIRL—SOMEBODY!

MR. EDITOR:—

I stained a blue silk dress with lemon juice; what will restore the color? I am making lots of money selling the Climax Dish Washer. Have not made less than \$10 any day I worked. Every family wants a Dish Washer, and pay \$5 quickly when they see the dishes washed and dried perfectly in one minute. I generally sell at every house. It is easy selling what every family wants to buy. I sell as many washers as my brother, and he is an old salesman, I will clear \$3,000 this year. By addressing J. H. Nolen, 60 W. Third Ave., Columbus, Ohio, any one can get particulars about the Dish Washer, and can do as well as I am doing.

Talk about hard times; you can soon pay off a Mortgage, when making \$10 a day, if you will *only work*; and why won't people try, when they have such good opportunities.

could make a speech of acceptance, and another verse was sung, and then we had a season of prayer, in thanks giving and invoking the Divine blessing upon the donors, for their token of love and their appreciation of our labors with them in them in the cause of our blessed Master. I trust and I know the Lord can reward them for their kindness and sympathy they have for the pastor and family.

Our church house is undergoing repairs; a new roof was finished today, next will be to paint it. Our congregations are very large considering the warm weather. We ask an interest in the prayers of the church that the good work may continue here and elsewhere.

A FEW QUESTIONS.

LAPAZ, IND., June 21st, 1894.

Why do the Holiness people raise their hands while singing? Does it mean these things are true? Where do they get their Scripture for so doing? If they derive strength by so doing why don't the Brethren do the same?

It certainly looks good to testify the words we sing are true when we sing hymns and songs of praise to God. I would like to see an answer to these notes by EVANGELIST readers, especially ministering brethren. Let us hold fast to that which is good.

THE BEST MEN WANTED.

"Yes, we want the strongest and best men among the readers of our paper to represent us in their respective localities, either devoting all or any part of their time to our business. Men and women who stand well are offered exceptional opportunities for profitable work." That is what B. F. Johnson & Co., Richmond, Va., say in reference to their advertisement,

FROM FAIR HAVEN CHURCH, OHIO.

PLEASANT HOME, OHIO, June 23rd, '94.

Our communion of the 19th of June passed off successfully. It was largely attended, both by members and outsiders. There were quite a number of our Homer and Ashland members present, and a few from Zion's Hill church, which made us feel good. Come again, brothers and sisters. Our esteemed Brother M. B. Painter, of the Fair Haven family, has been confined to his bed for some time. Brethren, remember him in your prayers. Ministers present at our communion were, P. J. Brown, H. S. Jacobs and the writer. More were invited but they did not put in appearance.

A CHANCE TO MAKE MONEY.

I have berries, grapes and peaches, a year old, fresh as when picked. I use the California Cold Process; do not heat or seal the fruit, just put it up cold, keeps perfectly fresh, and costs almost nothing; can put up a bushel in ten minutes. Last week I sold directions to over 120 families; anyone will pay a dollar for directions, when they see the beautiful samples of fruit. As there are many people poor like myself, I consider it my duty to give my experience to such, and feel confident anyone can make one or two hundred dollars round home in a few days. I will mail samples of fruit and complete directions, to any of your readers, for eighteen two-cent stamps, which is only the actual cost of the samples, postage, etc., to me.
